

REMARKS

Reconsideration of this patent application is respectfully requested in view of the foregoing amendments, and the following remarks. Applicants respectfully request that the Amendment filed on September 5, 2007 by Applicants' former Attorney not be entered, and the enclosed Amendment be entered instead. The undersigned was appointed Attorney of record on September 23, 2006. However, the Notice of Non-Compliant Amendment was sent to the former attorney, Karl Hormann, who filed a response. Since this response should not have been entered, as it was filed by a person without power to do so, Applicants request that that response be canceled, and the present response be entered instead.

Applicants have canceled claims 1-10, and have added new claims 11-20, which conform to USPTO requirements. Entry of this amendment is respectfully requested.

Respectfully submitted,

**OLIVER HAACK ET AL.**
